★ Inception of the College and Its Brief History :

- ❖ Swami Vivekananda, after establishing the Ramakrishna Mission in 1897, wanted to revive the past glories of our motherland through an education which would combine in it the best elements of the oriental and the occidental cultures, the sacred and the secular, the material and the spiritual.
- ❖ With a view to giving shape to Swamiji's comprehensive scheme of education, the authorities of the Mission started this college, Vidyamandira in 1941 under the auspices of the Saradapitha, a branch of the Ramakrishna Mission, as an Intermediate Arts College. The college was affiliated to Calcutta University.
- ❖ The college was upgraded to a three-year degree college with effect from July 1960. Post-graduate teaching was introduced from the academic session 2006-2007.
- ❖ In 2010, the college was adjudged by the UGC as a 'College with Potential for Excellence'.
- ❖ In 2010 again, the college was conferred upon the status 'Autonomous' by the UGC and the State Government.
- ❖ In 2013, the college was re-accredited by NAAC with Grade A.
- ❖ To commemorate the 150th birth anniversary the college established 'Swami Vivekananda Research Centre' in 2013-14 session to run PhD programmes and other research activities. This centre has received the affiliation from Calcutta University.

- **Pre-Saradotsav Cloth distribution:**

Saradotsav is known to all as a celebration of joy and happiness. But unfortunately some children cannot fulfill their dreams of having a new dress like others in our so called modern society. To fulfill the dreams, NSS wing formed a survey team which went to nearby schools and distributed coupons to the needy students. The children came to receive the clothes with their guardian on 01.10.2013. The smile in the faces of those children after receiving the dresses was worth remembering.

Total number of children beneficiaries: 120

- **Blood donation camp:**

Blood is life. Many people in our country die due to lack of blood when required. Some people are there who are scared of donating blood. Therefore to increase the blood donation awareness and to remove fear in the people, NSS wing organized three blood donation camps.

Blood collected by NRS hospital on 22.09.2013: 100 donors
