

Minutes of 19th Meeting

23/10/31/2019

1:30 pm

The Chair welcomed the home. The proceedings of the last 19th were confirmed. (2) Julia My was introduced for the membership present. He would come in person to participate in department to collect relevant documents, reviewed for NAF - accreditation. These would have to be provided in excel data form and submitted in pdf files.

All departments would mp and on with the data collectors compilation and the principal preferably. He asked all faculty and concerned persons to check on systematics early.

As a first step the documents would be collected in excel format sheets. These will then be compiled. Moreover, the respective and back end data would be reviewed and linked to the document made.

(2) Each of the screen capture would be made

by a cordination lead Merit
 camp both qualitative as well
 as quantitative aspects.
 Each of the 7 criterion was
 met and one by one, and
 the coordinators selected them:

Criteria

	<u>Cordination</u>
1. (Communication)	SRC ✓
2. (Teaching)	TAM ✓
A. (Syllabus)	SD
B. (Research)	AKS AKS
3. (Students Support)	ATC SB
5. (Syllabus Support)	PRB
6. (Civility)	SB
7. Best practice	SB

Key Indicators for Best practice: Br. Subrata
 Each Coordinator would have
 a support team comprised of
 a group of faculty members.
 By 20th April it was agreed
 that each group would
 sit together and complete
 the task entrusted.

④ The chain elaborated on,
 the Best Practices, identifying
 some most points, such as
 values upon which RKMS is
 based. Such values are spread
 by means of, for instance, a
 13-hour value function

Course as also through regular
organising of Visiting members
Seminars, where faculty
members go and act as
Resource persons.

The Metric 7.2.1 would
depend upon the elaborate
Feedback mechanism in
Place for every. Alongwith, it
the value based indicators
Other that spans syllabi
as also the simple lifestyle
of members, teachers,
administrative & support staff
and students was observed.

The timely start of
any event is something
and beyond as necessary
and this is on practical
addressed to.

The presence of the
Corpus endeavours towards
a healthy - free environment
popular transactions of
Communication where all
instances are communicated
by mail is our primary.

The entire system despite constraints and limitations is a 'man-machine' system where each part is interrelated parts that together constitute the whole. Thus, as based on extraordinary, and advanced reasoning, the backbone of our institution, which is in perfect synchronisation with the multi-faceted and multi-layered the lofty ideals set by the 'trinity'.

⑤ Misc: The standards data on projects completed would need a certificate by the concerned supervisor. It has to be scanned and submitted to the officer. The project related data has to be the cement one.

The cement syllabus of all departments are to be mailed forthwith to the Computer Science Dept.

The feedback on teaching -
- learning and different aspects of research and hotel life through various forums in her face was discussed in more detail.

The meeting ended with a vote of thanks to the chair.
