(b) Suggestions came a section of guardians for introduction of 'Numerical Analysis' in Statistics (General) course.
4. **History** : Some parents suggested introduction of a Masters' course in History.
5. **Industrial Chemistry** : A number of guardians demanded an increase in the number of seats in M. Sc. (Applied Chemistry).

(b) A few guardians of UG I opined that a number of classes (towards the beginning of the session) can be devoted to recapitulation of some portions of 11th and 12th standard Physics.

⑪ Aniruddha Gush & Lokesh Kondeal, SNA & PHTA, 2nd yr respectively, were also found guilty for same kind of malpractice. Both the boys will be asked to reappear for the said paper in the next year. It will be considered honor ~~and~~ for the firm being.

⑫ Suresh Wadde could not qualify general courses - Remedial teaching was prescribed. Suman Sankar, Anagat Soren - same thing was prescribed for same reason.

⑬ "Kumaran Wadde" was found missing last semester from the hostel. Since he was bearing NCC uniform, it was decided by the Committee to somehow contact the guy, and it was further resolved that he would be asked to give the uniform back as early as possible. Otherwise we may have to think for some other legal action.
